South Holderness Association of Parish Enterprise exists to support parish councils to work together for the benefit of people living, working and visiting Holderness.

Holderness Soup is a new SHAPE initiative whereby a lunch will be held on a bi-monthly basis around the 13 parishes.

The aim is to enable residents from the 13 parishes to meet together, socialise and comment on issues affecting South East Holderness.

This first event will be preceded by a Walk from Skeffling to Easington and back along the Humber Bank. This walk helps promote the area as part of the Walking Outdoors festival. If you wish to walk please arrive at the hall at 10am.

The event is FREE of charge but any donations would be most welcome and we will be holding a raffle to help cover costs.
